

GRAND ROUNDS

Because of you...

The physicians and staff at Renfrew Victoria Hospital work every day to fulfill the RVH mission: “To provide the best possible healthcare experience for our patients and their families.”

This would not be possible without the steadfast support of our community. Because of you we are able to upgrade equipment, modernize our facility and provide a wide selection of inpatient, outpatient, outreach and regional services.

Thank you for investing in quality care close to home—you make a difference.

The generous support of our community has provided physicians with the tools they need to deliver outstanding, high quality care to our patients.

—**Dr. Steve Radke,**
RVH Chief of Staff

I would like to express my immense gratitude to everyone who chooses to support RVH. Your generosity allows our Medical Imaging Department to remain state of the art. Our technologists and sonographers receive specialized training on every new piece of equipment ensuring that you are receiving the most up-to-date techniques. Thank you to everyone for helping to bring the best of care closest to home!

—**Lisa Wherry, Manager, Medical Imaging**

I am a cancer survivor. Among many others, I was fortunate enough to be able to have my treatments at the RVH. All the departments at the RVH care for you with such compassion and dedication. We are so fortunate to have such a caring hospital and environment in our community. I thank you for your support.

—**Lisa Phillips**
