GRAND ROUNDS

Lights of love shine bright

Fun games for the young, delicious cookies and gooey s'mores, warm hot chocolate, greetings from Santa and Christmas carols...

Low Square was filled with the spirit of Christmas as our community gathered for a family-style RVH Tree of Lights celebration on December 6.

Towards the end of the event, the crowd circled round the tree to pay tribute to those remembered and honoured with Lights of Love on the Tree of Lights.

Special thanks to each and every individual and business that donated or supported the event.

Your contributions help to ensure that physicians and staff have the tools and equipment they need to provide the best healthcare experience for our patients and their families.

From all of us at the RVH Foundation and the hospital, we wish you a wonderful holiday season, and please remember... "It is not what is wrapped under the tree that matters, it is who is gathered around it."
