

NURSING WEEK 2016

May 12 not only marks Florence Nightingale's birthday, it also marks that time each spring when nurses gather for a week-long celebration of the profession. We hope you had a wonderful Nursing Week, and enjoy this collection of images from across the province.

RNAO BPSOs RAISE AWARENESS

RNAO best practice guideline (BPG) Program Manager Grace Suva (far right) joined staff at Renfrew Victoria Hospital on May 12 to celebrate the facility's implementation of the association's guidelines. The hospital was one of seven Best Practice Spotlight Organizations (BPSO) to host Nursing Week media conferences to highlight the impact evidence-based practices are having at their organizations. Other sites hosting events: Leeds, Grenville and Lanark District Health Unit; North Bay Nurse Practitioner-Led Clinic; Thunder Bay Regional Health Sciences Centre; Thunder Bay District Health Unit; St. Joseph's Care Group; and Pioneer Ridge Long-Term Care.
