

GRAND ROUNDS

THANK YOU

from all of
us at RVH

By completing the Ontario Hospital Association's survey, you have made us one of the highest-ranking community hospitals in the province for patient satisfaction, based on the percentage of patients who would definitely recommend the hospital to family and friends.

Pat Campbell, President and CEO of the Ontario Hospital Association comments, "From a provincial perspective, we are seeing tremendous work by all of Ontario's hospitals to improve patient care experiences, and this is resulting in high achievements in patient satisfaction. Renfrew Victoria Hospital is one great example."

Please continue to complete these surveys after visiting RVH — your input is valuable to us.
