Spotlight on community at TOL anniversary

This year's Tree of Lights event marked the 25th anniversary and celebrated all those who have contributed to its success. Our heartfelt thanks to the local artists whose donated works have graced the TOL card, volunteers who help with everything from stringing the lights on the tree to serving hot chocolate, children in the youth choir who fill the air with carols, and the community that chooses to support RVH through this event and all year long. It means so much to everyone who relies on services of our hospital. Wishing you the best of the season.
