## GRAND ROUNDS

# Put your 'BREAST' Foot Forward— RVH needs your support for Breast Cancer Awareness Month

October is breast cancer awareness month and the RVH Foundation is hoping to fill the streets of Renfrew with a sea of pink to help raise awareness locally.

You can get behind the cause on Sunday, October 1 by participating in a 5-kilometre walk/run that begins with registration at 11:30 in Low Square in downtown Renfrew.

“We want to encourage our community to come out and be involved in this Breast Cancer Awareness Month event,” says Barb Desilets, RVH Foundation Executive Director.

The local RBC branch is also getting behind the event to help raise awareness.

RVH has a long history of providing services to women in our region, offering

mammography exams since January 1995. In 2010, a satellite site was opened at St. Francis Memorial Hospital in Barry’s Bay, and in 2012, the hospital renewed its commitment to women’s health issues with the installation of state-of-the-art digital mammography equipment.

Register early at the Foundation Office 613-432-4851 ext. 263 or by email: [dillaboughp@renfrewhosp.com](mailto:dillaboughp@renfrewhosp.com) to be eligible for a prize draw, or at 11:30 on Oct. 1 in Low Square. Registration fee of \$20 includes a ‘Breast Foot Forward’ t-shirt, and pizza at the end of the walk sponsored by Domino’s. Children under 12 are complimentary.

Join us at noon on October 1 for the Breast Foot Forward walk/run in support of Breast Cancer Awareness Month

Save the date for the next event supporting Breast Cancer Awareness Month:  
**Friday, October 20, at 7 p.m.**

**Fall Fashion Extravaganza**
