

UPCOMING JOB OPPORTUNITY

for RVH employees to become a CERTIFIED TRAINER FOR “PROJECT FUSION”

This is a notice to all RVH employees that we will be recruiting team members to join Project Fusion as Credentialed Trainers (CTs). As a CT, you will participate in an in-depth training program at the Ottawa Hospital in January 2019, to learn about EPIC applications and workflows. As a CT, you will be responsible for training your peers on using EPIC and the new workflows; and, you will be supporting your peers through the go-live period next summer.

Since July is a busy time for vacations, this notice has been posted to let you know that these postings will be posted later in July.

Please watch for the postings if you are interested in becoming a CERTIFIED TRAINER for EPIC.

If you have any questions, please call Anna at extension 275.
