

Registered Nurse, Casual Diabetes Educator

REQUISITE SKILLS, ABILITIES AND QUALIFICATIONS

- Current registration with the College of Nurses of Ontario.
- Bachelor's degree in Nursing preferred.
- Certified Diabetes Educator Certification preferred.
- Advanced knowledge and experience in the care of diabetes clients, including insulin adjustment.
- Ability to complete assessment of a diabetes client and make recommendations for care.
- Knowledge of patient teaching and adult education principles, as well as ability to teach adults in a variety of client situations.
- Excellent written and verbal communication skills with patients, physicians and other members of the health care team.
- Ability to work as a member of a team to provide diabetes education and to work independently and perform duties in the physical demands of the work area.
- Knowledge of basic computer skills and ability to prepare PowerPoint presentations required.
- Completed vulnerable sector check within the past six months may be required.

*Qualified applicants are invited to submit their resume to hr@renfrewhosp.com or Julia Boudreau, V.P. Corporate Services, Renfrew Victoria Hospital, 499 Raglan Street North, Renfrew, Ontario, K7V 1P6. Although we appreciate all responses, **only those candidates selected for interview will be contacted**. A vulnerable sector check completed within the past six months is a requirement for employment at RVH.*
