

RENFREW VICTORIA HOSPITAL/THE OTTAWA HOSPITAL

FULL TIME SURGEON (LOCUM)

Situated in the beautiful Ottawa Valley, the Town of Renfrew offers the benefits of a small community with easy access to Ottawa within 45 minutes. Renfrew Victoria Hospital (RVH) is committed to progressive leadership in the delivery of rural health care. We offer a complete range of inpatient and outpatient services, including regional programs in nephrology and oncology. We have been recognized nationally for our commitment to excellence and person and family centered care.

RVH has a long history of successful integration services with our tertiary care partners at The Ottawa Hospital (TOH) and is part of a surgical program with the Division of General Surgery at TOH. As part of its integration with TOH, RVH will soon be adding an additional permanent full-time general surgeon to their team.

This **3-month term position**, with an expected start date of January 2, 2019, offers the opportunity to experience this new integrated model. The successful applicant will be part of a broad-based community general surgery practice including an established outpatient clinic, endoscopy, as well as ambulatory and inpatient surgery. The successful applicant will be provided with an equal share of referrals as well as elective and emergency resources. Call will be shared with one other general surgeon on a rotational basis. Overhead expenses will also be shared equally with one other general surgeon. Interest or additional experience in breast and/or hand surgery would be considered an asset. Remuneration will be based on the OHIP fee-for-service, with a HOCC on-call stipend. The applicant will then have the option to apply for the new permanent full-time position when it becomes available.

Applicants must have certification in General Surgery from the Royal College of Physicians and Surgeons of Canada and must be eligible for licensure as a General Surgeon with The College of Physicians and Surgeons of Ontario.

CREATE A PRACTICE & LIFESTYLE THAT WORKS.....FOR YOU!
