

Growing forward
BUILDING CARE

2016–2021 Strategic Plan

A new Strategic Plan

In 2015, the RVH Board undertook the renewal of our Strategic Plan. Following extensive consultation with our staff, physicians, volunteers and the patients, community partners and public, our new Strategic Plan was approved in April 2016.

In concert with the development of our new strategic plan was the rejuvenation of our Mission, Vision and Values. Set against the backdrop of the largest-ever expansion and ongoing redevelopment of our hospital, this document will help to ensure that we provide safe, quality care to our patients into the future as new challenges and opportunities arise.

With a dedicated team of staff, physicians and volunteers, and our partners in the community and beyond, we will continue Growing Forward, Building Care.
